+ MANAGEMENT

FRIDAY, MAY 20

MANAGEMENT

CONFERENCE ROOM 2A

			Institutional opening		Norma Estela
			SYMPOSIUM		
			Measuring patient satisfaction in dental care. What is it and how is patient satisfaction measured?		Moderator Carlo Gallucci
9:00-11:00			What do we call patient satisfaction in dental care?		Laura San Martín
			What do I want to measure and why? General and specific key indicators.		Luis Tejerina
			Methodologies for measuring satisfaction.		Domènec Huguet
11:00-12:00					
			SYMPOSIUM		
			Case studies for measuring patient satisfaction.		Moderator Luis Tejerina
			Case 1 for applying measurement.		Luis Tejerina
			Case 2 for applying measurement.		Alberto Ortiz Vigón Rocío Fernández
12:00-14:00			Case 3 for applying measurement.		Luis Nart
			Case 4 for applying measurement.		Javier Lozano
			Case 5 for applying measurement.		Ana Laffond
			Discussion: Can we establish common criteria for measuring the satisfaction of dental patients?		Moderator Luis Tejerina
14:00-15:00					
			SYMPOSIUM		
			Teams and processes for digital excellence that focuses on people.		Moderator Rosa Gómez Leopoldo Mateos
			Preparation of the oral health team. Uniting the team around measuring patient satisfaction. Growth by investing in qualifications.		Victor Cambra Sofía Solano
15:00-17:00			Adapting to change. The role of the leader in the digital transformation of the dental clinic. Managing teams and integrating change.		Jorge Herrera Javier Lozano
17:00-18:00					
			SYMPOSIUM		
			Teams and processes for digital excellence that focuses on people. Parte 2		Moderator Rosa Gómez Leopoldo Mateos
18:00-20:00			Digitalisation and artificial intelligence as a differentiating factor. What technology and artificial intelligence can do for a dental clinic. How to integrate and enhance digitalization in the dental office.		Luis Mallo Imanol Donnay

CONFERENCE ROOM 2B

			SYMPOSIUM		
15.00 - 17.00			Keys to the valuation of a dental clinic to address an inheritance, a transfer, or a purchase-sale transaction. Success stories.		Joan Massons Susana Mas

MANAGEMENT

SATURDAY, MAY 21

CONFERENCE ROOM 2A

			SYMPOSIUM		
			Differentiation, a key factor for the sustainability of the clinic. Part 1		Moderator Norma Estela
9:00-11:00			Excellence and Innovation. Key tips for differentiating the dental clinic. Turn Excellence and Innovation into new visits and greater recommendations for the clinic.		Laura San Martín
			The much-needed humanisation of technology in dental care. The person at the centre of dental care. Professional ethics as an axis of excellence of care.		Carlo Gallucci
11:00-12:00					
			SYMPOSIUM		
			Differentiation, a key factor for the sustainability of the clinic. Part 2		Moderator Jaime Alcaraz
12:00-14:00			Differentiation from engagement marketing. Keys to experiential marketing to differentiate yourself from the competition.		Patricia Zubeldia
			The first step to begin managing. I want to set up a dental clinic. What steps should I take as a dentist?		Manuel Garrido
